TRADES DAY.
Few people from Hondo's trade
territory were missing at Trades Day
Wednesday afternoon, May 11th, in
spite of inclement and threatening
weather. Someone of the few absent
is the loser of five premiums of ma-
terial value as five tickets drawn failed
to bring a response from the large
crowd present. Nine cash premiums
were awarded and three of merchandise
were donated by local business
men. Those present to win were as
follows:
First, \$20.00, Mrs. Melliff Lippold.
Second, \$10, Antonio Dominguez.
Third, \$10, Mrs. Robert Barkuloo.
Fourth, \$5, Mrs. E. A. Balzen.
Fifth, \$5, Mrs. R. W. Speece.
Sixth, \$5, Ed de Montel.
Seventh, \$5, W. Britsch.
Eighth, \$5, Louis Leinweber.
Ninth, \$5, Miss Hattie Haby.
Premiums of merchandise were
won as follows: Gift donated by W.
H. Case Confectionery, Pablo Rocha;
Box of soap donated by Fly Drug
Co., V. A. Crow; meat donated by L.
F. Rothe Market, Miss Edna Sprott.
The premiums were well distrib-
uted among the residents of Hondo and
vicinity, and two of the valuable
prizes went to Mexicans who spend
their money at home. This should
encourage everyone within trade
distance of Hondo to buy in Hondo,
and above all, to be on College
Square on the day of the monthly
drawing with all tickets handy.
Trades Day for next month will
be held on June 8th.
Messrs. Maier & Keller, managers
of the big sale for L. A. Haby at
Dunlay, were here on business Tues-
day and informed us that the sale is
going over satisfactorily and the
large and varied stock of merchan-
dise is being rapidly disposed of.
However, selections are still easy to
make and in a special message on the
last page of this paper, they are mak-
ing some extra offers. You can make
your dollars go a long way by taking
advantage of these unusual offers.
The presidential primaries last Sat-
urday attracted but little interest.
So far as we can learn only seven
precincts out of the county's 20 held
Democratic primaries, and locally only
a mere handful attended at the
two Hondo boxes. All precincts
holding endorsed Garner for the Demo-
cratic Presidential nomination. Inter-
est among the Republicans seems
to have been equally lacking, but all
those holding primaries endorsed the
renomination of Hoover.
Editor W. L. Dubose of the Devine
News was a brief caller at our office
Friday afternoon, but at the time we
were working against time to get the
High School paper into the hands of
the school editors before the Friday
afternoon session dismissed and the
same time to catch the 4 o'clock
train with the Anvil Herald mail for
the week. We are not quite so busy
all the time, brother; so call again
and we hope to show ourselves more
fraternal next time.
Mr. and Mrs. Ed. Armstrong and
son, Edward, Jr., Mrs. R. W. Speece,
Mrs. J. R. Chancey and Misses Mary
Emma Finger, Gen Brucks, Bernice
Speece, Bernice Chancey and Mary
Ruth Wilson spent the week-end in
Del Rio, where Mr. Armstrong di-
rected an operetta in which the "Five
Firecrackers" took active parts. The
operetta was given Friday evening.
Mr. and Mrs. Louis Biediger were
pleasant callers at the Anvil Herald
office Monday while enroute to one
of Mr. Biediger's apiaries west of
Hondo. Mr. Biediger informed us
that the Presidential primary went
by default at LaCoste, but he thinks
plenty of interest will be taken in
the state primaries to be held in July.
Mrs. O. Haralson had as visitors
for a couple of days last week, Mrs.
Robeson, Mr. Gray and Mrs. Waite,
all of San Antonio. She was also
visited by her two grandchildren, Mrs.
J. Traylor and Miss Charlotte Davis,
and two great grandchildren, Joe and
Patsy Ann Traylor.
Mr. and Mrs. J. W. Miller are back
at home again after several months
stay in San Antonio. Their stay
there improved Mrs. Miller's health,
but Mr. Miller is suffering from the
after-effects of an attack of flu. He
is active, however, and feels himself
improving.

ST. PAUL'S LUTHERAN CHURCH.

BAPTISM: Baptism is more than
a symbol or a memorial. Baptism is
one of the means of grace. "Arise,
and be baptized, and wash away thy
sins, calling on the name of the
Lord." Acts 22, 16. "Repent and be
baptized every one of you in the
name of Jesus Christ for the remis-
sion of sins." Acts 2, 38. "Accord-
ing to His mercy He saved us, by
the washing of regeneration and the
renewing of the Holy Ghost." Titus
3, 5. "The long suffering of God
waited in the days of Noah, while
the ark was a preparing, wherein few,
that is, eight souls were saved by
water. The like figure whereunto
baptism doth now save us, not the put-
ting away of the filth of the flesh,
but the answer of a good conscience
toward God, by the resurrection of
Jesus Christ." 1 Peter 3, 20-21.
To christen means to set apart or
separate as Christ's own, and that
is brought about through baptism.
"But ye are washed, but ye are sanc-
tified, but ye are justified in the
name of the Lord Jesus, and by the
Spirit of our God." 1 Cor. 6, 11.
The festival of Pentecost, observed
by the church because the Holy Spirit
was sent to men at that time, will
be commemorated in our church next
Sunday, May 15. It is the birthday
of the Christian church. You are
invited to be present at this service.
It will be held in the English language
beginning at 10:30. Holy Communion
will also be administered. The com-
municants who wish to partake are
kindly asked to announce themselves
before the time of service. The con-
fessional service for those who com-
mune will begin at 10:00 o'clock. The
Sunday school and Bible class will
meet at the regular time, 9:15.
The infant daughter of Mr. and
Mrs. George Karm, Alma Elsie Louise
Karm, was given to the Lord in Holy
Baptism in St. Paul Lutheran Church
last Sunday morning, May 8. May
she be faithful unto death and re-
ceive the crown of life.
**LADIES' AID SOCIETY HAS
MEETING.**
The Lutheran Ladies' Aid Society
met at the home of Mrs. Louis Britsch
on Wednesday. Owing to various
reasons, the attendance was not as
large as usual. The pastor led in the
interesting discussion of Acts 15 and
16, illustrating the missionary jour-
neys of the Apostle Paul by means of
a colored map. Encouraging reports
were given as to the selling of metal
sponges. The gathering also began
the discussion of plans for entertain-
ing the San Antonio Pastoral Con-
ference here October 4 and 5. After
adjournment the hostess served some
inviting refreshments.
Those who attended the meeting
were the following members: Mes-
dames Louis Britsch, Henry Britsch,
A. Schuehle, A. Falkenberg, F. R.
Grube, R. W. Richter, Geo. Bendele,
Charlotte Miller, Anna Stiegler, J.
Murphy (who served as temporary
secretary) and W. Leibfarth (who
served as temporary chairman). Visi-
tors were Miss Rosina Britsch and
Mrs. Lena Hummel. Miss Ella
Britsch, Miss Katherine Knox and
Miss Dorothy Grube served the re-
freshments.
The next meeting will be held at
the home of Mrs. W. Leibfarth on
Wednesday, June 1, 1932.
SOME RAT KILLER.
Among Will Grant's multifarious
duties as delivery man for the E. R.
Leinweber Co. is that of waging war
on the rodents that infest every place
where food is stored. And right well
he is performing that duty.
Friday morning he was showing a
trap in which two rats were securely
held having, in their greediness, both
tried to get the bait at the same time
and forfeiting their lives together by
being snapped at the same time.
The next morning, to show that the
same thing could happen again, he
was showing two more, of a smaller
size but all fat and sleek, caught in
the same way.
But Will's reputation suffered an
eclipse after that. He set his traps
Saturday night as usual, but Monday
morning all he had was a rat tail.
Some time during the interim a rat
had carelessly allowed his caudal ap-
pendage to get caught in the trap,
and not wanting to wait for Will's
return, quit the trap, leaving that
extremity behind as evidence of hav-
ing called.

LINDBERG BABY FOUND.

As we struggle towards a close
of our forms Thursday afternoon
news is wafted over the radio
that the body of the unfortunate
Lindberg baby had been found
partially hidden in brush and
leaves less than five miles from
the home from which it had been
abducted and within 75 yards
of a country road. The child
had been struck on the head and
its skull fractured. The little
body had been exposed to the
elements for weeks and was bad-
ly decomposed, but identification
seems to be positive.
P. T. A. MEETING.
The Hondo Parent-Teacher Associ-
ation met in regular session Monday,
May 9, 1932, with Mrs. R. W. Gaines,
newly elected president, presiding.
In observance of Music Week the fol-
lowing program was given:
Piano duet—Bettye Jean Merri-
man and Frances Ruth Fly.
Violin Solo—Edward Armstrong,
accompanied by Mrs. O. A. Fly.
Flute Selection—Jo Reily, accom-
panied by Lela Grace Reily.
Vocal Selection—Rose Senne, ac-
companied by Mrs. Joe Dillon.
Vocal Duet—Thelma and Mary
Ruth Wilson, accompanied by Mrs.
Dillon.
Vocal Selection—Margaret Dillon,
accompanied by Mrs. Dillon.
The minutes of the previous meet-
ing were read and approved. The
picture committee reported having
had four pictures of George Wash-
ington framed for use in the school
rooms.
Mrs. Fred McWilliams tendered
her resignation as second vice presi-
dent. The same being accepted, Mrs.
Ed. Connevey was elected by ac-
clamation to said office. The follow-
ing were appointed: Mrs. Elsie War-
den and Miss Minnie Margaret How-
ard to assist the first vice president;
Mrs. Elmer Leinweber and Prof. M.
L. McDowell to assist the third vice
president; and Mrs. Horace Bradley
as publicity chairman.
Mrs. O. B. Taylor gave a very witty
and interesting report of the Medina
County Council of Parent-Teacher
Associations which was held April
30th, 1932, in Hondo. Prof. J. G.
Barry addressed the meeting in which
he thanked the local P. T. A. for its
hearty cooperation during the past
year.
Having had ten mothers present,
the fourth grade received the book.
Following the meeting Mrs. Elmer
Leinweber and her committee served
delicious sandwiches and iced tea to
about fifty members.
**LUNCHEON CLUB DOUBLY
HONORED.**
The Hondo Luncheon Club was
doubly honored Tuesday, first by sev-
eral vocal selections sung by Miss
Rose Senne, and secondly by Rev.
Father J. B. Lavoy in a brief address.
Miss Senne was accompanied by
Mrs. Joe Dillon on the piano and the
harmonious blending of her beauti-
ful soprano voice with the notes of
the instrument was an appreciated
treat to the "tired business men".
Rev. Father Lavoy, who is here
serving the St. John's Catholic parish
during Rev. Father Flynn's vacation
trip to Ireland, spoke in highly com-
plimentary terms of the cordial
friendliness he is finding among
Hondo people. He expressed sur-
prise at the evidences of voluntary cooperation
in promoting community welfare,
and admonished his hearers that a
continuation of such spirit will help
the community to weather the present
depression. His address made a most
favorable impression.
Among business matters discussed
was a report from the committee that
progress is being made on securing a
community dump ground.

BAPTIST NEWS NOTES.

Last Sunday was Mother's Day. It
passed rather quietly with the Bap-
tist congregation as not a few of our
people seemed to go away to visit
with their mothers and other friends.
It is fair to say that they were mis-
sed, at least, by the Pastor, but it is
hoped they spent the day profitably.
Those who "stayed by the stuff" were
fully repaid by the highly spiritual
nature of the services. The high
value of the faithful mothers' minis-
try, in its relation to the home, the
church and all the future, through
the dependent child was laid on the
hearts of us all. At night the Pastor
spoke again to a depleted congre-
gation on the New Testament Home.
Only the Christian home can promise
a Christian nation. Alas, alas, for
the Christless home.
On next Sunday morning our Bible
school lesson will be on Jacob at
Bethel. Gen. 28: 10-17. Let us all
carefully read this story and its con-
nection, then be on hand at 10:00
o'clock with prayer in your hearts.
The Pastor's topic at the morning
hour will be: "Is Christ Necessary
for Man's Salvation?" Better be
on hand. You might learn something
to your eternal advantage. Church
life is profitable in every way. It
tends to subdue the animal in us all.
It promotes respect for sacred things.
It gives a better understanding of
the Person and purposes of God. It
strengthens fellowship among men,
deepening and sanctifying our sym-
pathies. The service at night will be-
gin at 8 o'clock. Won't you turn
aside from less profitable things and
be on hand for Christ's sake and to
cheer your Pastor in his difficult
task? You will have higher respect
for yourself, when you have done
the right thing. The distinct drift
now-a-days is back to heathenism, to
materialism, to worldliness, which is
another word for animalism. My
dear fellow travellers, let us beware.
If the Lord be God, then serve Him.
In Christian love to all.
PASTOR.
**REPUBLICANS ENDORSE
HOOVER.**
The Republican County Con-
vention met pursuant to call at 2 o'clock
at the county courthouse Tuesday
and organized by electing M. E. How-
ard of Devine, Chairman, and J. M.
Finger of Hondo, Secretary.
Several precincts were represent-
ed and delegates to the Republican
state convention in Mineral Wells,
May 24, 1932, were selected as fol-
lows: Mrs. P. A. Welty, Capt. Fred
S. Hays and Alex Crawford, all of
Natalia, and John M. Finger of Hon-
do. Alternates are: Otto Brucks and
O. A. Grell of Hondo, U. S. Goen of
El Paso and Carlos G. Watson of
Brownsville.
Resolutions were adopted indors-
ing Hoover's administration, instruct-
ing the delegates to vote as a unit
and to support Hoover for the nomi-
nation as long as his name is before
the convention.
State Chairman Craeger was en-
dorsed for re-election as was Mrs.
Griswold of San Antonio for National
Committee woman.
The convention was a harmonious
gathering.
TO LOSE A VALUABLE MAN.
Readers of the Anvil Herald have
read with regret of the resignation of
Rev. C. P. Hasskard from the pastora-
te of the Quihui Lutheran church, the
resignation to be effective with the
last service in July.
Rev. Hasskard came to the Quihui
congregation in 1923, and during his
nine years residence there has en-
deared himself to a large circle of
friends, both among his own faith
and others as well, who will miss him
when he takes his departure. Not
only has he ministered faithfully to
the spiritual needs of his flock but
his influence upon the intellectual,
social and moral progress of his com-
munity has been far reaching in its
encouragement and usefulness.
Rev. Hasskard has accepted a call
to the church at Phillipsburg, near
Erenham, in Washington County. He
has several grown children living at
Erenham and he and Mrs. Hasskard
will be in closer touch with them and,
at the same time, he will find an in-
viting field for the employment of
his exceptional abilities. While re-
gretting his loss from this community,
all will rejoice with them in their
finding so congenial a field as their
new location promises.

MINUTES OF THE COUNTY DEMOCRATIC PARTY CONVENTION HELD IN HONDO ON MAY 10, 1932.

For the purpose of selecting dele-
gates to attend the Convention called
for the 24th day of May, to be held
in Houston, Texas, wherein delegates
to the National Convention are to be
selected and state electors for the
election in November named, be it
known that in convention assembled
on the 10th day of May, 1932, in the
city of Hondo, Texas, meet the Demo-
crats of Medina County, in accord-
ance with the rules of the party and
laws of the State of Texas, and there-
in transacted business as follows:
The Convention was called to order
by the Hon. Fletcher Davis of Hondo,
whereupon on motion, duly seconded
by D. H. Fly, the said Fletcher Davis
was made permanent Chairman and
Jordan T. Lawler of Castroville Sec-
retary.
On motion a committee on creden-
tials was appointed and having pass-
ed upon and declared all present
properly accredited as delegates it
is so recorded in these minutes.
Whereupon, after listening to some
talks and a general discussion upon
the necessity for a united stand upon
the part of the Democracy of these
United States in the coming campaign
that the people be relieved from the
calamities that are upon them as a
result of the last 12 years of Republi-
can misrule, the convention passed
the following resolutions attached
hereto, and named delegated, here-
inafter listed, to the State Conven-
tion.
Delegates elected to attend Hous-
ton Convention: Jordan T. Lawler
and Wilfred Wernette, Castroville;
Louis Biediger and Edmund Keller,
LaCoste; Herbert Teel and W. L. Du-
bose, Devine; E. H. Stendebach, W.
B. Melton, Yancey; John Zuberbuel-
er, Dunlay; P. Jungman, Mrs. P.
Jungman, Fletcher Davis, L. J.
Brucks, D. H. Fly, F. Batot, Hondo,
and Victor Boog of D'Hanis, Otto
Schmitt, Dunlay, John G. Brucks,
Hondo.
Thereupon on motion the Conven-
tion adjourned.
This is to certify that the above is
a true and correct statement of the
proceedings held for the purposes as
above set forth in Hondo on the 10th
day of May, 1932, held in the County
Courthouse.
FLETCHER DAVIS,
Chairman of the Convention.
ATTEST:
JORDAN T. LAWLER,
Secretary.
Whereas, the Hon. John N. Garner
has during his long service in Con-
gress demonstrated his ability for
leadership, and has further shown dur-
ing his service as Speaker that he can
harmonize the various factions of the
Democratic party; and whereas, there
is at the present time a crying need
for true leadership in order that the
Democratic party may elect a Presi-
dent to rescue the nation from the
effects of Republican misrule and to
restore the country to normalcy;
Therefore, be it resolved by the
Democrats of Medina County in con-
vention assembled that the delegates
from this convention to the State
convention at Houston be in-
structed to vote for the nomi-
nation of Hon. John N. Garner for
President, and that they be further
instructed to vote for a resolution to
instruct the delegates from Texas
to the Democratic nominating con-
vention at Chicago to vote for the
nomination of Hon. John N. Garner
until his name is withdrawn by the
Texas delegation voting as a unit.

MARRIED.
Mr. and Mrs. W. J. Earnest of Hon-
do announce the marriage of their
daughter, Mamie, to Mr. W. T. John-
son of Austin, Texas, the wedding
having taken place Sunday, May 8,
1932, in Austin. Rev. Willis of the
Southside Baptist Church read the
impressive marriage ceremony. Mr.
and Mrs. Johnson will be at home in
Austin.
The bride is a graduate of Hondo
High School and has many friends
here who wish her happiness in her
new home. Mrs. Johnson is the fifth
daughter of Mr. and Mrs. Earnest to
marry and make her home in the Cap-
itol City.
This paper joins the many friends
of the young couple in extending best
wishes.

LA COSTE LEDGERETTES

From The LaCoste Ledger.

MRS. JENSINE C. TRIP.
(nee Jensen)

A deep shadow of sorrow was cast over our entire community when the sad news of the death of Mrs. Jensine C. Trip, a highly respected resident of the Macdona community, was received.

Mrs. Trip was born in Denmark, on February 27, 1883, and had attained the age of 69 years, 3 months, at the time of her demise on April 28th, 1932, at 12:30 P. M. at her farm home near Macdona, Texas.

She was happily married to T. E. S. Trip in August, 1884, at San Antonio, and lived on the Trip farm ever since. This union was blessed with four sons and two daughters: E. J. and A. W. Trip of Macdona, G. T. and H. H. Trip of San Antonio, Mrs. Julia Markt and Mrs. Marie Hanna of San Antonio, all of whom survive her. Her husband preceded her to the grave on June 24th, 1917. Besides her children, she also leaves surviving her, 14 grandchildren and 5 great grandchildren.

Mrs. Trip took sick a month ago and all that medical science and loving hands could do was of no avail, she gradually grew weaker and weaker, and quietly passed away on April 28th, surrounded by all her children.

Her body rested at the home until Saturday afternoon, where it was viewed for a last time by hundreds of relatives, neighbors and friends. After services at the residence, conducted by Rev. P. F. Hein from Grace Lutheran Church of San Antonio, the corpse was taken to the Roselawn Cemetery at San Antonio, where she was tenderly laid to rest at 3 P. M., April 30th. Rev. Hein performed the last sad rites of the Lutheran Church of which the deceased was a member.

One of the largest concourses of sorrowing relatives and friends ever witnessed followed the remains to their last resting place, which together with the large display of floral offerings, does but show the high esteem she held with all who knew her. A good and generous neighbor and a kind mother has gone to her reward.

Pall-bearers were: T. E. and A. H. Trip and Rudolph Markt, grandsons of the departed and Gus Meyer, Henry Jungman and Joe Lessing.

We join the entire community in extending our deepest sympathies to the grief-stricken children in this their hour of sorrow.

May she rest in peace.

OTTO BIPPERT.

Again it becomes our sad duty to chronicle the passing away of a well known citizen of our community, Mr. Otto Bippert.

Mr. Bippert took sick about three months ago, but in spite of all that medical science and loving hands could do for him, he grew weaker and weaker and succumbed on Friday morning, April 29, 1932, at 7:15 A. M. at his home.

He was born at the Sauz on January 18, 1882, and therefore attained the age of fifty years, three months and eleven days at the time of his demise.

On November 14, 1905, he was happily married to Miss Ida Schmidt at Castroville, which union was blessed with seven children.

One daughter, Edna Marie, preceded him in death on October 25, 1918; also his father who died on March 4, 1928.

He leaves surviving him, his wife, 5 daughters, Mrs. Leo Zinsmeyer of LaCoste, Mrs. Alvin Barnhill of LaCoste, Miss Bessie, Eva and Doris Bippert of LaCoste, one son, Otto, Jr., of LaCoste, his mother, Mrs. Martha Bippert of the Sauz, six sisters, Mrs. Hilda Franger, Mrs. Wm. Tschirhart, Miss Hattie Bippert of the Sauz, Mrs. Frank Biry of Biry, Mrs. Meda Oeffinger of San Francisco, Calif., Mrs. George Etter of Castroville; 4 brothers, Alfred of San Francisco, Calif., Herman of Riomedina, Max and Emil of the Sauz; also two grandchildren, June and Marlene Zinsmeyer of LaCoste.

The funeral services were held Saturday morning, April 30, at 9 A. M. After services in the Lutheran Church of Castroville, his remains were taken to the Lutheran Cemetery where he now rests in peace. Rev. K. Konzack of Castroville performed the last sad rites of the Lutheran Church of which the deceased was a life-long member.

Pall-bearers were: Raymond Tschirhart, Milton and Wilfred Bippert, Arthur and James Biediger and James Ittis.

The deceased was a member of the local W. O. W. Camp and Herman Sons Lodge.

We join the many friends of the grief-stricken widow, children, mother and sisters and brothers in extending our condolences in this their hour of great sorrow.

May the departed rest in peace.

Com. Robt. Rihn from Castroville was a LaCoste visitor last Friday.

Poor Sleep Due To Gas In Upper Bowel

Poor sleep is caused by gas pressing heart and other organs. You can't get rid of this by just doctoring the stomach because most of the gas is in the UPPER BOWEL.

The simple German remedy, Adlerika, reaches BOTH upper and lower bowel, washing out poisons which cause gas, nervousness, bad sleep. Get Adlerika today; by tomorrow you feel the wonderful effect. You will say the day you read this was sure a lucky day for you. W. H. Windrow, Druggist.

Jim Crow from Hondo was a business visitor here Monday.

Misses Elsie and Lenora Koenig were San Antonio visitors Tuesday.

Man Lost 26 Pounds

Looks 100 Per Cent Better

Feels Stronger Than Ever

Just to prove to any doubtful man or woman that Kruschen Salts is the SAFE way to reduce—let us take the letter of Mr. F. J. Fritz of Cincinnati, Ohio, recently received.

He writes: "I've tried extreme dieting, setting up exercises with very little results—but the results from Kruschen are almost incredible. In 3 months I reduced from 205 to 179 pounds and feel stronger than ever—no more wheezing or gasping for breath—friends say I look 100 per cent better."

Bear in mind, you fat man, that there is danger in too much fat—try the safe way to reduce—one-half teaspoonful of Kruschen Salts in a glass of hot water every morning—cut down on fatty meats and sweets—one bottle that lasts 4 weeks costs but a trifle—get it at any drugstore in the world.

ACID STOMACH

PHILLIPS' MILK OF MAGNESIA

For Trouble due to Acid INDIGESTION ACID STOMACH HEADACHE GASES-NAUSEA

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. Harmless, and tasteless, and yet its action is quick. You will never rely on crude methods, once you learn how quickly this method acts. Be sure to get the genuine.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior tooth-paste that safeguards against acid-mouth.

Relax Tense "NERVES"

Loss of Sleep, Crankiness, Headache, Neuralgia, Indigestion and Fatigue are common results of over-work and nerve strain.

Miss Ruth Sheets, a charming Michigan school teacher says: "I have taken your Nervine during my college work and when I get those nervous spells after a hard day's teaching. I am sending my mother's name to you. Will you please send her a trial package?"

Relax your tense nerves with the same reliable medicine Miss Sheets found so effective.

**D'HANIS RANCHER BUYS
NORTH TEXAS POLLS.**
A ringside observer of the thrills
of a rodeo performance would not
think that it would be any easier to
entice one of the participants from
that exciting game than to lure a
move actor from the precincts of Hol-
lywood. — M. T. Schuchart, Medina
County rancher out West of D'Hanis,
is an exception to the rule. He and
his brother for a long time held the
rodeo record of 31 seconds for milk-
ing two wild cows as well as substan-
tial honors in other events. Although
many flattering offers have been
made to them to go professional and
follow the rodeo circuit of North
America, they have declined and are
now prosperous ranchers of this sec-
tion of the Southwest.
A few months ago these brothers
became benedicts at the matrimonial
altar. M. T. and wife acquired a
ranch out ten miles West of this city
on Highway No. 3-90, where he is
raising modern Polled Hereford cat-
tle.
A few days ago he received a truck
load of heifers and a herd bull bought
up at Jacksboro, Texas, from John-
son Bros. who own the world's largest
herd of registered Polled Hereford
cattle. These young "can't hook" cat-
tle are of fancy and popular blood
lines, being descendants of the Cana-
dian National Grand Champion
\$9500.00 polled bull, Bullion 4th and
the 1924 American National Grand
Champion polled bull, Foundation
25th. Other purchases had been made
by Mr. Schuchart in previous years
from the Johnson herd with which
to found a pure bred herd of these
popular cattle. The purchaser ex-
pects to raise bulls for his own com-
mercial herd and to furnish the sur-
plus from his herd to other stockmen
of the Southwest.

**NEW FOUNTAIN METHODIST
CHURCH.**
Pentecost Sunday, May 15th, 1932.
PENTECOST.
"And they were all filled with the
Holy Ghost." Acts 2:4.
We read the story of the Pentecost
miracle, and perhaps we can not
understand it. It seems natural
enough that when Jesus is born the
sky opens and the angels sing; that
when Jesus died the skies darken and
rocks break. These great events were
worthy of miracles. But here at
Pentecost what was there to call out
such prodigies? It was the blossom-
day of humanity, full of promise of
unmeasured fruit.
They were filled with the Spirit.
This is the real inward miracle, the
central idea of the Pentecostal nar-
rative. To the Apostles it was bap-
tism, confirmation and ordination, all
in one. To them it was the great in-
spiration which enabled them here-
after to be authoritative teachers of
the Gospel by tongue and pen. "They
were all filled with the Holy Spirit."
By the word ALL we must not un-
derstand the Apostles only. The
word ALL includes the Apostles, the
disciples, the followers of Christ of
every name and degree. This sugges-
tion is of the utmost importance! We
are not to sit aside and say we have
no part or lot in this bestowment of
the Holy Spirit.
"They began to speak with other
tongues." Their words were in-
spired by the Spirit. Now, if Raphael
could enter into you as you stand be-
fore his pictures, would you not see
deeper into the beauties of his work?
Would not the Raphael in the picture
come out from depths which you have
never fathomed? If a child can be
filled with the father's spirit, will not
the spirit of the household, the in-

**COMFORT
for COLICKY BABIES**
THROUGH CASTORIA'S
GENTLE REGULATION
The best way to prevent colic,
doctors say, is to avoid gas in stomach
and bowels by keeping the entire
intestinal tract open, free from waste.
But remember this: a tiny baby's
tender little organs cannot stand
harsh treatment. They must be
gently urged. This is just the time
Castoria can help most. Castoria,
you know, is made specially for babies
and children. It is a pure vegetable
preparation, perfectly harmless. It
contains no harsh drugs, no narcotics.
For years it has helped mothers
through trying times with colicky
babies and children suffering with
digestive upsets, colds and fever.

tion, the purpose of it all, come
out wonderfully to meet the new
spiritual apprehension? And so, if
you can be filled with God, will not
the soul of God's truth of every sort,
as you stand face to face with it open
to you deeper and deeper, changing
your belief into a profound and spir-
itual thing? The Holy Spirit does
come, will come, if we only let him.
He is as real and personal and mighty
as Christ is.

YANCEY BOY SCORES HIGH.

In the recent Fifteenth Annual
Texas Smith-Hughes Judging Contest
held at A. & M. College the Yancey
Vocational Agriculture department
entered a team represented by Earl
Berry, Lloyd Bohmfalk, Laurence Wil-
son, and Albert Wilson as alternate,
in the dairy cattle judging division.
There were 117 teams entered in
this division. Mount Vernon won the
contest. Yancey placed 47th in the
contest by placing 25th in Jerseys,
63rd in Holsteins, 4th in Ayrshires,
and 107th in Guernseys. Last year
Yancey placed 7th in the entire con-
test, with 144 teams competing.
Earl Perry tied with Steel of
Houston for high score in judging of
Guernseys with a score of 98 out of
a possible 100 points. There were
351 individuals in this division and the
above honor was hard to win and
these boys deserve a lot of praise for
their fine work.

by a visit from J. M. Fusselman and
Uncle Eli T. Merriman. Mr. Merri-
man is here on a visit to his brother,
John C. Merriman, who is now con-
valescent from an attack of flu. Be-
ing a newspaper man, Uncle Eli could
not pass up a call at this office and
we enjoyed listening to his interest-
ing reminiscences of early newspaper
days in Southwest Texas—days be-
fore either the Anvil or Herald were
born, and when Hal Gosling was mak-
ing the old Castroville Quill famous.
A coincidence was that an old time
journeyman printer by the name of
Ward, who used to "stick type" for
Gosling on the Quill, had just walked
out of the office a few minutes be-
fore Mr. Merriman came in.

COLONIAL COVERINGS.

What happens when a blase young
girl regards all men with amused tol-
erance really falls in love herself?
This question is daringly and enjoy-
ably answered in "The Impatient
Maiden", which is booked for Thurs-
day and Friday at the Colonial The-
atre. Lew Ayres heads the cast in
the role of a young doctor, and it is
when Mae Clarke meets him that
she decides that she really does not
know all about men, after all. The
events which bring about her gradu-
al fall from her pinnacle of cyni-
cism make of this picture one of the
most entertaining screen plays of the
season. Others in the cast are Una
Merkel, John Halliday, Andy Devine
and Helen Jerome Eddy.

"Strictly Dishonorable," the most
piquant and provocative comedy yet
to reach the talking screen, is to be
shown at the Colonial Theatre Sat-
urday and Sunday. The cast is head-
ed by Paul Lukas, Sidney Fox and
Lewis Stone. The story concerns an
innocent Southern girl and her pug-
nacious fiancé, who leaves in jealous
anger when she casts admiring
glances at an Italian opera singer
whom she meets in a speakeasy. The
sudden romance—that blossoms be-
tween this great lover and the desert-
ed Southern beauty is told with dar-
ing and yet with utmost delicacy.

"Dangers in the Dark", with lovely
Miriam Hopkins, William Collier, Jr.,
and Jack Oakie heading the cast, is
scheduled for Thursday and Friday
of next week.

A WORD FROM MRS. MERRILL.

To my many dear friends: Being
without strength to write at length,
I ask the kindness of the Anvil Her-
ald, that I may express to you my
heart-felt thanks for your remarkable
thoughtfulness and unfailing kind-
ness to me during the days of my en-
forced confinement in the hospital.
You seemed to know that they were
trying days, for you sought by your
loving attentions to divert my mind
to the beautiful things in life. Your
prayers, your letters, cards, your
flowers, your manifold gifts, showered
me daily so that I seemed to be in
some fairland of beauty and loveli-
ness instead of a place of suffering
and waiting. These loving attentions
though stressed by my dear T. E. L.
Class, were not limited by any means
to these. Many others in our con-
gregation, and from other congrega-
tions and friends, failed not to re-
member in their own loving way.
Now that I am called aside for a
time, in a desire to fully recuperate,
I trust you may not forget me. You
have in a way "spoiled" me by your
gracious thoughtfulness. Finally, I
wish to assure you, one and all, that
you are deeply and permanently en-
shrined in my heart, where, I trust
we shall be united forever in Christ,
our common Saviour. God bless you,
one and all.

Affectionately your friend,
Mrs. R. W. Merrill.

W. M. S.

Wednesday evening the mem-
bers of the New Fountain Missionary
Society met in the home of Mrs. G.
Muennink. This was the usual mon-
thly meeting. The program was as
follows:

Song, by members.

Prayer, Mrs. F. Stiegler.

Scripture lesson, Matt. 12:1-12.

Mrs. F. Stiegler.

"What Prohibition has done for
disadvantaged communities" was the
topic discussed by the different mem-
bers.

A testimony of Commander Eva
Geline Booth was read by Mrs. F.
Heyen.

At the conclusion of this pro-
gram Mrs. Jac. Schweers, a delegate to
Missionary Council Meeting held at
Gonzales, gave a splendid report of
this meeting. A social hour followed
during which the hostess served de-
licious refreshments to 12 mem-
bers and 5 guests.

Now is the time for our mem-
ber ship campaign. We urge every
member to get busy in securing a new
member. Our Auxiliary needs new
members to help carry on in our
Missionary work.

Strong possibility of a general in-
festation of grasshoppers equal in in-
tensity to that of 1932 for all Texas
except the eastern portion is indicat-
ed in a letter received by C. M. Merritt,
county agent, from R. R. Reppert,
entomologist of the Texas A. and M.
College Extension Service. "Follow-
ing the recent warm rains eggs are
hatching and small grasshoppers ap-
pearing," he says, "and as soon as the
infested areas are located the im-
mediate application of control meas-
ures may save later damage. Places
to be watched are sloping pasture
land and areas next to ditches, creeks,
grassy fence rows, and along stone
fences and lines of outcropping rock
ledges."

Poison bran mash has been highly
successful in fighting grasshoppers
and this has become the standard con-
trol measure, the county agent states.
The formula he gives consists of 25
pounds coarse wheat bran, 1 pound
Paris green or white arsenic, 1 ounce
of high grade amyl acetate (avoid
cheap grades of banana oil or bronz-
ing liquids), 2 quarts cane or sor-
ghum molasses, 1 pound common salt,
and enough water to make a moist
mash.

"Mix the bran and poison together
thoroughly. Dilute the amyl acetate
and molasses in about 2 gallons of
water. Pour this liquid over the mix-
ture of poison and bran until every
particle is moist. Make further ad-
ditions of water and mix thoroughly
until a mash is obtained that is quite
moist, yet will fall apart after being
tightly squeezed. In this form it will
broadcast easily.

"This quantity should cover about
1/2 acres. A good practice is to mix
at night and sow in the morning be-
fore nine o'clock. To kill hoppers in
grass land sow over the entire acre-
age to be protected. Where they are
migrating from fence rows or pas-
tures into cultivated crops, sow the
fence row or a fairly broad margin
of pasture, and also a broad margin
of the cultivated crop to be protected.
"If amyl acetate cannot be obtain-
ed substitute 6 lemons for 1 ounce
of the former. Both juice and rind
should be used, the rind being ground
in a fine food chopper. The lemons
should be diluted with water the same
as with the amyl acetate.
"In sowing, mash should not be
placed in piles. Lead arsenate is
valuable for grasshopper poisoning."
Please cut this out and keep for
future use.

A LETTER FROM CHINA.

About 25 or 30 years ago, Chas.
E. Cowman and wife started what is
now known throughout Christendom
as the "Oriental Holiness Missions",
the doctrines of which are strictly
Wesleyan. They have hundreds of
preachers and thousands of members,
schools, hospitals, rescue homes, etc.
They are now evangelizing extensiv-
ly in China, India, Japan and Korea.
Cowman has been dead for a number
of years but his wife, Mrs. Chas. E.
Cowman, is still at the head of the
work and has her main office in Cali-
fornia. It was through her that Rev.
J. T. Horger obtained the address
of several of her leading English
speaking helpers in the "Oriental
Holiness Mission" fields; to whom
he sent a copy each of his new book,
and the following letter was recent-
ly received from Rev. F. J. Briggs,
who is in charge of the work at
Shanghai, China.

Shanghai, China,
April 11, 1932.

Dear Brother Horger:

Greetings in Jesus from far-off
China, but nigh unto God's heart,
and I trust unto yours. You have kin-
dly sent me a copy of your splendid
book and while I have not yet found
time to really go into it, yet as I have
read a chapter here and there I have
recognized that here is a product of
a life-time of study and certainly a
very welcome addition to the library
of every earnest Bible student. Par-
ticularly it seems to me it would be
invaluable to present to those about
to take up a course of Bible study.
I find it very suggestive and thought
provoking, this last being a factor
that in these modern days seems to
be gradually disappearing from liter-
ature. One is glad to note the strong,
courageous stand for the deepest
things of God; and while this may
prejudice many from using the book,
it nevertheless indicates that mercen-
ary gain is not your primary motive
in its publication. I wish this book
might be in the hands of all our Hol-
iness Bible schools, for in these days
we need those with the fullest possi-
ble grasp of the deep and hidden
things of God to ably meet the needs
of this present age. It seems to me
this book would serve as a key, in-
deed.

I trust you may live to see the sale
of many thousands of copies and that
the Lord's richest blessing may at-
tend its distribution. When I can
get time I shall explore its contents
to the fullest possible endeavor,
whether I shall find something I can-
not agree with or not, I am certain
there will be great profit and much
light, with new ideas and suggestions.
Where is the man who sees all the
many faces of the Diamonds of God's
word? Are we not all indebted to
each other for the ministry each gives
to the other under the Holy Spirit?
Certainly the Lord has permitted you
to contribute a large share; to Him
be all the Glory.

I do indeed thank you for this gen-
erous gift and trust that at some time
I may be able to meet you personally

FROM THE OWL

The Owl track squad made their trip to San Antonio, April 21 to take part in the annual Fiesta track meet. This meet is getting to be almost equal to the State meet in so far as stiff competition is concerned.

Finger placed third in the high hurdles but was unlucky enough to trip three hurdles which disqualified him. However, he came back and took a second place in the low hurdles which entitled him to a silver medal. The time in the high hurdles was 16.4 seconds. The winning time in the lows was 27.5 seconds.

..... was unfortunate enough to throw a place in the fastest heat in the 440 which was won in the very good time of 53 seconds. Joe placed fifth in the heat.

Stiegler and Garteiser failed to place in the weights. The shot was won by a Houston boy with a toss of 49 feet and some inches. Both Hondo boys tossed the discuss over 100 feet but failed to place. The winning throw was 124 feet. Stiegler placed fourth in the javelin throw. Pichot did not place.

Grube ran the 880 but brought home no bacon and in the low hurdles Ulbrich and Schweers also ran. Rucker started a nice race in the preliminaries in the high hurdles by had the same misfortune that attended him in the county meet. He tried to go through one of the hurdles instead of over it and with usual results.

The boys did not startle the country with their performances but they gained some valuable experience. Some of this year's squad are having their first experience in track and the more competition they face the better they will be in the next season.

Saturday afternoon the Seniors entertained the Juniors with a picnic at Castrovilla. Everyone met at the school house at four o'clock, where the Seniors painted "Seniors '33" on the Juniors' faces with "Monkey-blood", and the juniors had to take off their shoes. Then everyone started to Castrovilla. About one half of a mile from the bridge, the cars stopped and the juniors had to walk to town bare-footed. When their destination was reached, the juniors had to run the gauntlet.

For the next two hours, swimming and boat-riding were enjoyed. After everyone had become tired of those pastimes, a delicious supper, consisting of sandwiches, potato chips, fruit, and cakes, was served. After supper, some went boat-riding and the others danced; then everyone started back to Hondo.

Those present were: Irene Barkuloo, Elvira Schweers, Viola Uhl, Dorothy Hicks, Tunselda Wurzbach, Charlotte Miller, Gen Brucks, Margaret Dillon, Mary Lois Barnes, Hettie Nester, Lucy Davis, Dorothy Ann Eckhart, Jeante Merritt, Naomi Steinle, Elva Mumme, Irene Neuman, Lucille Van Fleet, Thelma Wilson, Irme Mechler, Howard Rothe, Preston Armstrong, David Mechier, Mathes Saathoff, Marion Muennink, Joe Haggelin, William Ney, Harris Parsons, Homer Pichot, Clifford Stiegler, Adolph Balzen, Tommy Finger, Robert Zuberbueler, Frank Rucker, Charley Embrey, Russel Speece, Jack Muennink, Misses Boyd and Tweedy, and Messrs. Flory and Fluker.

Mr. and Mrs. Edward Armstrong and Edward, Mesdames J. R. Chancey and R. W. Speece, Misses Bernice Chancey, Bernice Speece, Gen Brucks, Mary Ruth Wilson and Mary Emma Finger were in Del Rio over the week-end.

Mrs. L. J. Brucks and daughters spent Sunday in Fredericksburg with Miss Jo Brucks.

Virginia Ulbrich has the mumps. Mrs. R. W. Speece and daughter, Bernice, were San Antonio visitors Saturday.

Jeanette Merritt danced at Jefferson High School in San Antonio, Sunday, May 1.

Mrs. George Kimmey and daughters, Evelyn and Janet, spent Saturday in San Antonio.

Dwyce Cameron is ill with the flu. Jack Muennink made his weekly visit to San Antonio Saturday.

The May Festival which was to be given by the High School Glee Club was postponed on account of bad weather. It will be held on May 10th.

After winning the first game of a three game series, the Owls journeyed to Del Rio on April 22 to play the second game of the series, which they lost by a score of 4 to 6. The Owls took eight hits off of the Wildcats' pitcher, Wetzel, but could make them account for only four runs which were not enough to beat the Wildcats who took eight hits off of the Owls' hurler, A. Finger, and amassed six runs to win the second game of the series.

The score by innings was as follows:

	123	456	789	H	R	E
Hondo	000	000	103	8	4	6
Del Rio	010	210	200	8	6	2

Batteries: T. Finger and Embrey for Hondo; Wetzel and Dean for Del Rio.

The Owls won the toss so the third game of the series was played the following day at the plaza. The Owls, after a hard fought game, lost by a narrow margin to the Del Rio Wildcats, thus losing the championship of this district. The final score was five to four in favor of the Wildcats.

The score by innings was as follows:

	123	456	789	H	R	E
Hondo	030	000	010	8	4	5
Del Rio	100	000	301	5	5	3

Batteries: T. Finger and Embrey for Hondo; Veltman and Dean for Del Rio.

Webster says, "Friendship is having the temper and disposition of a friend and disposed to promote the good of another."

To have friends you must be a good friend. If you are dull and unhappy when alone, you will be poor company for anyone else.

A person with whom you can be your own true self is a friend. You may remove the rose colored glasses that you used to look at the world and see things as they really are with a true friend. You may have so-called friends when happiness and pleasure have fallen your lot, but when misfortune and unhappiness are yours, the person who will stand by you through it all is a true friend. It is said that a person who has done you a good turn is a better friend than the one you have assisted in some way.

When a person knows your feelings and opinion on all subjects and your actions in all situations and likes you just the same, he is a true friend.

Your friends are a part of you. They influence you one way or another; therefore, you should be discriminating in selecting your friends. Of course, you are unable to obtain them at just any time or in just any haphazard way. Your character, personality and situation in life have a great deal to do with the number and class of friends that you may possess.

To keep the friends you admire and in whose company you enjoy being, you must be true and straightforward; however, do not treat them with such tenderness and attention that they will feel an inferiority complex.

Since friendship is promoting the good of others, friends should be chosen with care, that the best happiness may come to all.—Selected.

Should you ask us of our journey, Of our journey and our picnic, Of the odors of the fireside, Of the dust and dirt of travel, Of the rushing of a river, We shall answer your inquiries, Straightway in such words as follow.

On the fifteenth of the fourth month,

Of the year of two and thirty, Came the Chieftain high and mighty, Came he to our tepee early, With the news so long awaited That the day we should spend gaily, By the banks of some great river With our school-books left behind us.

On with hasty steps, the Seniors Hurried forth into the sunshine To besport themselves so freely On the truck to travel onward To the shores of River Frio, To the shining Big-Creek-Water, There the tall and stately teacher Took his class of Hondo Seniors, Took us to the rippling water Where the cypress and the oak tree Spread their branches o'er the way-side,

There the lunch was spread to feed us And we ate to ease our hunger Till the goodies were devoured, Till the crumbs were left to greet us,

Then the day we spent so gaily Listening to the whispering oak trees Listening to the lapping water As the swimmer darted thither Plunging 'neath the bubbling surface.

Then at last we journeyed homeward

Flitting through the dusk of evening Heard the hooting of the owlets And the voices of the evening. All our faces spoke our gladness Of the day we spent so merrily

And our hearts rang out our praises To the one who gave us pleasure. Take our thanks, oh Chieftain, mighty Take them and our hearts go with them;

Take our wishes, glorious Chieftan, Take them from the thankful Seniors

From their sponsor, Heap-Big-Chieftain

And their leader, "Panch" Rucker.

Machines were first invented in the Middle Ages. Among the first was the invention of the printing press. From that time on discoveries in the realm of science gave invention an added impetus. Thus the first invention seemed to be the forerunner of inventions, until the twentieth century in which science and invention advanced in leaps and bounds.

The first machine invented cut time and speeded production. This feature became more apparent all along, to the present day where we have the speed of production stressed in the output of factories. The "Law of Supply and Demand" acted as an equalizer to make the demand equal the supply and to create a supply for the demand.

All these inventions save man's time. Hence it would seem that we had reached a state where time is of no consequence. But such is not the case. Supply and demand may keep manufactured products and the supply of them equal, but it does not give man more time.

In fact it seems as though working time was then shortened, until the cry issues for more time in which to do more work. The years pass faster now than before. Will a calendar with thirteen months supply man with more time? This rapid passing of time has necessitated a new law: "Time For Supply and Demand."

Miss Mary Ruth Wilson entertained the Bridgettes Friday afternoon at the home of Mr. and Mrs. Isaac Wilson.

The Club presented a lovely green scarf to Mary Ruth for her birthday. After several games of bridge were played, Miss Billy Fusselman received a green powder container and pin tray for high score and Miss Bernice Chancey received stationery for consolation. Later the girls were taken to Carle's Confectionery where they were served ice cream and cake.

Those present were: Misses Bernice Speece, Billy Fusselman, Virginia Ulbrich, Rosina Taylor, Mary Emma Finger, Bernice Chancey, Gen Brucks, and the hostess, Mary Ruth Wilson.

From The Owl:

What is the easiest way to get through with school? That is what all of us want to know.

Now there are two "easiest ways" If you had just as soon be going to school as doing anything else and don't care how long it takes you to get through, this is the easiest: don't study except when you feel like it; don't pay attention in class; and have all the fun you can.

But if you don't especially care about going to school, and are anxious to finish, this is the easiest; study each lesson every day; pay attention in class; and pass up a few pleasures. This seems the very hardest way and scarcely any of us adopt this plan, but likely we would find it true. Many times, it would save us hours of painful study the night before an "exam."

We may take our choice of these two "easiest ways." Probably, if we adopt the second one, we will be a better credit to the school, and we all want to do that. These last few weeks, let's all try it; we may like it better.

The action of the State Executive Committee declaring that candidates for Congressman-at-large must designate their candidacy for places Nos. 1, 2 and 3, has put a serious handicap upon all those whose financial condition precludes their spending a great sum of money. No one of limited means can properly meet an opponent with plenty of money in a run-off primary.

The second primary had its origin in the desire for the people to rule in our elections through majority choice, but its practical result has been an arrangement whereby money has an opportunity to buy every election considered worth the price. This state has had a recent demonstration of the political power of money. A candidate wholly unfitted was elevated to an important position because those back of him purchased practically all the means of publicity, hired high powered, willing "spielers" and even hired laymen, who needed work, to make a detailed canvass from house to house in our larger cities. Under such conditions there cannot be an equal and fair presentation of facts to the voters.

Just now these United States are in financial and general business travail. The sins of our false economic practices are finding us out. A sentiment is growing in favor of a face about and to make the government an instrument of justice—guaranteeing the greatest good to the greatest number, instead of being the mere tool of the ultra rich. Also there is a growing sentiment that the mixture of moral and political reform is proving a sad disappointment to the laymen who never get any money out of such efforts and, therefore, have nothing at stake except honest hopes. For these reasons the question of three Congressmen from Texas has more than a usual significance.

Whether designedly or not, the two political forces of special interests and moral reform supplement each other. So long as special interests can keep the voters at each other's throats over such controversial questions as prohibition, they may hope to escape a concentrated drive against themselves, hence they keep sufficient money in the tills of the moral crusaders to keep them in the forefront of political contests. And conversely, so long as the reformers can keep the voters in a controversy they hope to get contributions enough to keep the home fires burning.

It matters not if a majority of the sober citizenship believe the three best men have been concentrated in one place they cannot vote for but one of them. Then when the elimination takes place in the first primary if any one survives whose heart is with the masses and who knows we are victims of a system so false it has brought wholesale distress during a period of universal plenty, that party will be compelled to meet either organized wealth or organized fanaticism, or both, in a run-off primary. There is no fund to pay speakers and publishers to defend the cause of humanity in general, and unless a candidate of the people is one of the unusual, being both wealthy and honest and willing to spend in behalf of his convictions, the contest will be one-sided in the extreme.

So far as I know, neither the people nor the candidates can do anything about it. The hand-picked three will likely go to Congress, and they will represent a specific purpose. It is not for me to say the ones selected will be dishonest in their attitude. Many people believe in the rule of the rich, and many more are fanatical in their mental make-up. But the motive and character of the selected candidates will make no difference with those who secure their election. Service is all they will require. No wonder our official stan-

dard is getting lower all the time. As a general rule the more intelligent a person is the stronger are his convictions and character and consequently the harder he is to boss. Hence, parties with small or mediocre minds stand the best chances of election under our prevailing system.

Gabby Salesman—This steel cabinet will last forever.

Mr. Groucher—And after that?

Gabby Salesman—Why, by that time we will have invented some kind of material that will last longer.—The Pathfinder.

THE DEFLATION CROWD

By Fred W. Davis.

Hoover, Dawes, Mills and a whole array of big business men and their hired spokesmen have recently taken a fling at the soldier bonus bill. Naturally this crowd is against the idea of more than two billion dollars cash money being distributed among so many people as are represented by the soldiers. If the government is able to turn any money loose at any time—good times or bad—according to this crowd it would be almost sacrilegious to let any one but the big fellows have it.

Their first argument was based upon the plausible ground that the U. S. Treasury is not in a proper condition to pay out this money. But when it was proposed to have the government issue the money and give general business the benefit of its circulation they got busy in dead earnest. To let a large sum of money go directly to the common people would be bad, but to do this with the government's own issue of money would be infinitely worse, according to their plan of controlling money. So the tune was changed.

Stress is now laid upon the proposed issue of currency. For the government to put into circulation almost two and a half billion dollars would ruin the country, according to the wisdom of these fellows whose own plan of money control has wrecked the entire business world. But if one of them has explained why this extra money would ruin a country that is on a dead center now for lack of money, I have not seen his argument. I have seen a number of assertions and conclusions but cannot accept them as arguments. Every rational mind in this country outside of the ones who get their thoughts with their pay checks, know that business would pick up if money and its accompanying credit were available.

'Tis true that, according to the plan which the soldiers had to accept, the money is not due. But the government owes it; the government has a right to issue the amount, and the soldiers need it badly. Added to this is the assurance that such a wide distribution of this amount of money would almost immediately find an outlet through all our local business establishments. Millions of soldiers would receive from a few dollars up to as much as \$1,500.00 and it would spread over all the states like a blanket. No one would be permitted to get it in blocks of \$100,000,000.00 as is the case with the plum already being given to this crowd that oppose the bonus.

It is a splendid opportunity to meet a delayed obligation and get a large amount of money into immediate circulation. If the soldiers should receive a few hundred dollars each, the grocer, the baker, the candlestick-maker, etc., will all feel a stimulus in

business. But when a railroad gets \$25,000,000 from Dawes' crowd and pays it over to Morgan there is no such benefit getting down to the bedrock of business. It may be invested in foreign bonds, used to bolster some speculative enterprise or locked up in the vaults in the big money centers.

Of all the people that should keep their mouths shut about the soldier bonus the Dawes, Mills, Young, Mellon crowd head the list. They got theirs in hay-wagon loads during the war while the soldiers were serving for a pittance. After the war the government decided the railroads and our big industrials were due a few bil-

lions because of enforced regulations, cancelled contracts, (given too liberally in the first place) and other excuses, and they were paid cash money. But the soldiers, drafted to fight for almost nothing, while wages were high, had to wait for additional pay because of the opposition of these big fellows. If they were entitled to it, it was past due then, but they had to wait. Now, when times are distressing, the big fellows come in again and get theirs—not that the government owes them anything, but merely as a loan to help their failing business. After their two billion dollar watermelon has been pulled they have the gall to enter a protest to the gov-

THE LATEST MOVE—RELIEF IN SIGHT

Press dispatches tell us of a bill filed by Congressman Patman requiring Congress to pay the balance due on Veteran War Service. This is the most important legislation to come before Congress since the Armistice was signed.

Either one of the following three plans is suggested by Mr. Patman for getting the money to pay these claims:

- 1st. By selling more United States bonds to money lenders.
- 2nd. By taxing it away from big income tax payers.
- 3rd. By the printing and issuing of New Currency by Congress.

Under the first plan, the people generally would be taxed for money to pay back the amount of the bonds, with interest in the future. Under the second plan the government would contemplate no return of taxes to big business. Under the third plan the return of the New Currency to the government would not be necessary by any form of taxation.

As to the 1st plan, it must be said that the people of the United States should not have any more interest bearing bonds issued for them and their posterity to pay. The people on account of low prices, cannot now get money to pay the interest due on bonds already hanging over them. Congress should give no heed to such a plan.

As to the 2nd plan, it must be said that the taxes to be paid by these big incomes to meet these certificate payments are taxes which the big fellows can reflect back upon the common public in the form of increased profits, rents and interest, and the common public should not thus be imposed upon. Congress should refuse this plan.

As to the 3rd plan of payment, it must be said in the interest of justice, that this New Currency could

be printed and paid out for the soldiers' service, and neither these soldiers nor anybody else should be taxed to return this money to the government. The government would not need it to be returned.

This money could, and should be issued as United States Legal Tender Paper Currency, and should remain out among the people serving them for all time, unless the volume should become so great as to need a deflation process, and then a graduated property tax, and a graduated income tax should be instituted for that purpose. It would be in keeping with better morals and higher statesmanship to issue this New Currency for Soldiers services than to issue it for gold deposits.

Our per capita circulation is well-known by all modern students to be entirely too low now, and this service certificate payment, it is estimated, would raise the per capita circulation about \$18.00, and this is the very thing we need to relieve the present depression.

Under these circumstances the two billions paid out would not become an interest bearing debt to harass us in the future, but would become a beneficial and needed addition to our scant supply of circulating medium. By all means let us pay the soldiers in New Legal Tender Paper Currency, and then issue eight billions more of it every year to pay for all services and supplies needed to run the government, and to build all needed internal improvements.

One hundred dollars per capita would not be too much to keep floating among the people. May the Almighty God give to Congress the honesty and mental vision to see the wisdom of such a course. Exit to the interest grafter.

ernment paying a similar amount to more than four million people who are in dire need of the money they should have had years ago.

The Secretary of the Treasury got almost frantic and declared a government issue would be dishonest money. Why? Where does the Constitution place the power to create money and regulate its value? Is it dishonest for the government to issue money in the form of postage stamps? The truth is, and they realize it, if a peace time issue of currency is put over it will work so successfully that public sentiment will wreck their financial gambling establishments and return to the Constitution which they have been openly violating all the years with the consent of the government. No wonder they are in a frenzy for they are tangled in (to a large extent) their own web and facing their financial Armageddon.

They say it will cause inflation. If so it will serve the double purpose of paying a just debt and advancing prices of general commodities. Inflation we MUST have if times are to grow better—using the term as the reverse of deflation, or present low prices.

An expansion of trade to the point of allowing a just recompense for productive energy and a blown bubble upon a gambling exchange are two different animals. Probably there never was a gambler that got tired of winning and there never was a loser that didn't scheme to get it back. We have had that kind of inflation both devoid of economic sense. While the inflation period was on, every line of business felt its stimulating effect even though its basis was, (to a large extent), chalk marks. But when deflation set in, its effects were much more acutely felt because it was the combined effect of decline and retrenchment. Despite the fact that while it lasts inflation means good times and deflation bad times, the big fellows seem to have no fear except that of inflation. The fear of inflation has been their stock argument for months and of course, they apply it to the payment of the soldiers. If they wish to stabilize business upon the present basis let them say so. If they think laborers and producers are getting enough let them say so. If they think they can prolong the panic until the people will be satisfied to get anything to avoid starvation and willing to accept the crumbs from the rich man's table, they are going to find out that the man power of a nation is always stronger than its money power. Some day we are going to realize that the ultra rich are not a necessity, possess no divine rights, and may profitably be eliminated. May sanity dictate, when that day arrives!
